

Press Release

Gothenburg, December 1, 2008

Volvofinans Bank AB's application to participate in the Swedish state guarantee program was today approved by the Swedish National Debt Office.

Today the Swedish National Debt Office took the decision to approve Volvofinans Bank AB's application to participate in the Swedish State guarantee programme.

Volvofinans Bank AB is Sweden's leading credit institution for vehicle financing with lending of approximately 25 Billion SEK, mainly in the form of loans and leasing to private persons and companies. The bank also distributes the Volvo card – one of the market's strongest car owner cards with just over a million customers, who thanks to the Volvo card can purchase fuel at lower prices and pay for repairs and accessories in instalments. Since 2007 the Volvo card is also available with Visa. Read more at www.volvofinans.se
